Legal

Copyright Laws

All rights are reserved with Mr. Mannu Kumar Gossain Owner / Director / Sole Proprietor of MZ Consultants (OPC) Private Limited . Unauthorized copying, distribution and selling of his works is strictly prohibited. Criminal procedures and penalties will apply in case of willful trademark counterfeiting or copyright piracy is carried out on a commercial scale. Legal action will be taken if acts of copyright infringement are intentionally committed for financial gains.

Anti-Circumvention Law

Refers to laws which prohibit the circumvention of technological barriers for using a digital good in certain ways which the rightsholder Mr. Mannu Kumar Gossain does not wish to allow. No person shall circumvent a technological measure that effectively controls access to a work protected under this title.

(A) To circumvent a technological measure means to descramble a scrambled work, to decrypt an encrypted work, or otherwise to avoid, bypass, remove, deactivate, or impair a technological measure, without the authority of the copyright owner; and

(B) A technological measure that effectively controls access to a work - if the measure, in the ordinary course of its operation, requires the application of information, or a process or a treatment, with the authority of the copyright owner, to gain access to the work. Thus, if there is some "technological measure that effectively controls access to a work", it is illegal to circumvent that measure.
